DnI Data
Empower your businesses

BUSINESS INTELLIGENCE REPORTING
Clarity Through Data Visualization

ABOUT US

DnI is a global data services partner that specializes in providing comprehensive data solutions to businesses.

We are a data-focused technology startup driven by the mission to empower businesses with smarter, faster, and more actionable insights.

OUR COMMITMENT

- **Build dashboards align with business targets**
Visualize your key metrics with live, interactive dashboards – built for clarity and speed.

- **Automated Reporting**
Schedule reports via email or messaging platforms for smooth updates, no manual exports needed.

- **Engaging Visualization**
Utilize with color schemes, clear labels, definitions across all dashboards

- **Optimize Report Performance**
Make use of prominent features in visualization tools: alert systems, schedule delivery data to emails, export data in multiple platforms, embed dashboard to website, internal systems

- **Easy Sharing & Access Control**
Share reports across departments securely, with role-based permissions
